

# The European Union's Modest Growth

by Geopolitical Futures - June 28, 2024

improvement from the 0.1 percent contraction experienced in each of the previous two quarters.

Smaller economies such as Malta, Croatia and Cyprus experienced the highest growth, while the three largest economies (Germany, France and Italy) saw more limited bumps. In Germany, the economy expanded by just 0.2 percent, after shrinking by 0.5 percent in the last quarter of last year.
